

for that great escape *Go Triumph*

Make a break for freedom. Leave the hum-drum behind. It's as easy as mounting a Triumph. Your spirits will soar at the quick start, the rapid acceleration, the cornering, the flat-out speed. This famous British motorcycle will cut a swath through

anybody's forest. From the 200cc Cub to the 650cc Bonneville, whichever you choose to make your "escape," you can be sure of one thing—it'll be great!
