

Doctor, Lawyer, Merchant... CHIEF!

Everyone in your neighborhood will sit up and take notice when your Triumph arrives from your dealer's. When you *own* a Triumph, you belong, you become a part of the grown-up community of responsible men. That's because the Triumph is the world's most respected motorcycle. First on the track, in cross-country events and on the road. Con-

tact your Triumph Dealer for details. Write, too, for free color catalog. Dept. MC.
