As the fun goes, so goes Triumph. From beach to mountains, you'll find Triumphs being ridden by active people.

For the practical set, a Triumph's versatility hits the spot. At home flat out or on the green.

## *Who wants a TRIUMPH most?*

Active people ride Triumph. And no wonder. A Triumph is built to stand up to tough riding. Mile after mile, year after year. And now, in 1966, Triumph presents a new look of action in a full range of models. Each new model has the big-pleasure surge of power that people on-the-go expect. Do you like the beach? There's more fun when you get there on your Triumph. Are you a cross-country fan? Those hills will flatten fast when your Triumph takes over. And if competition's your meat, do as the experts do — choose a Triumph! Who wants a Triumph most? Take a test ride. The answer will be obvious.
