# TRIUMPH... the Original

The Feel of Adventure

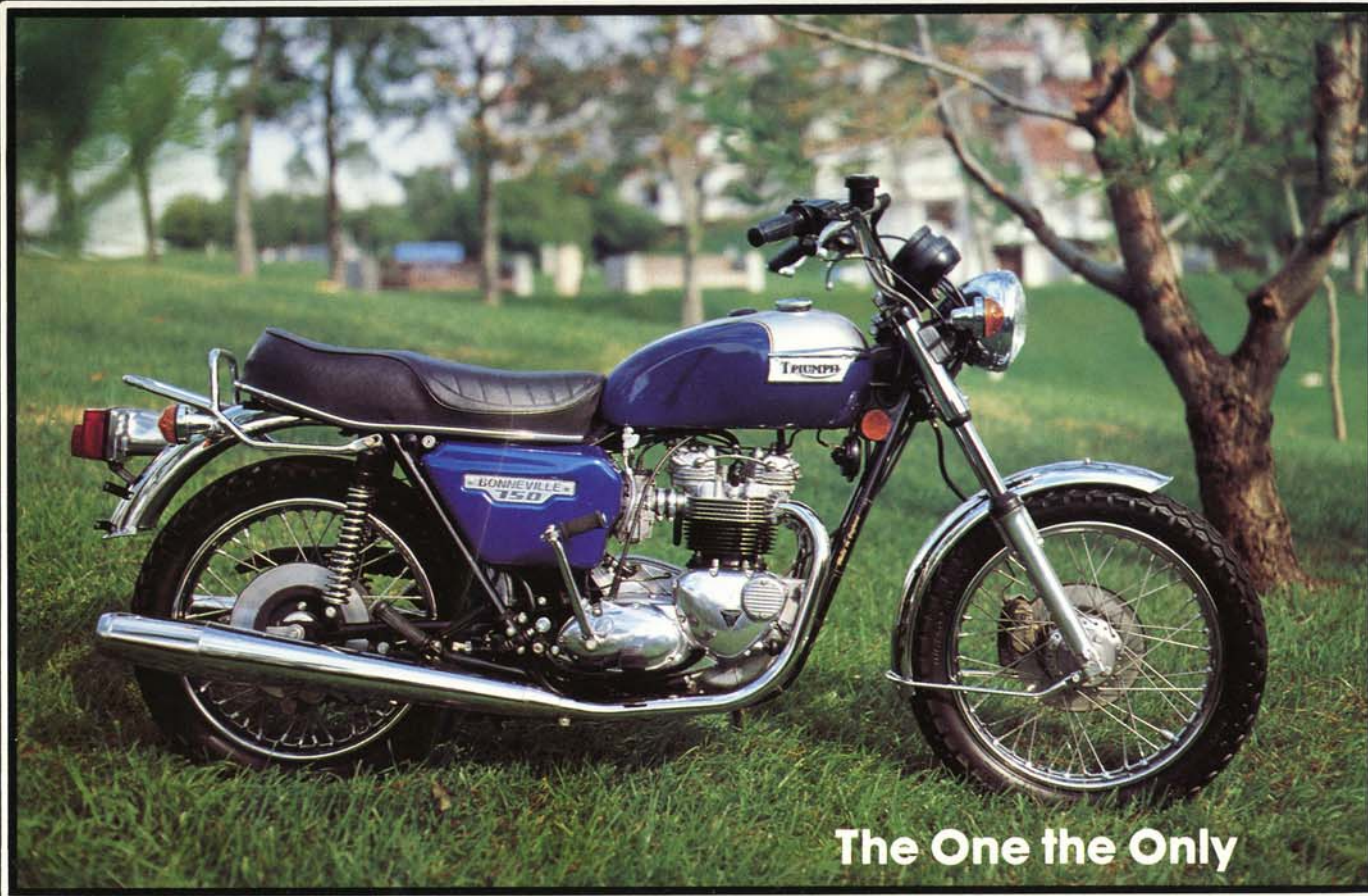

ClassicBike.biz

with typical British understatement...  
the Gentleman of the Road  
in black and silver elegance.

# TRIUMPH... the Legend

**The One the Only**

ClassicBike.biz

the richness of royal blue,  
the scintillation of star silver...  
like the others, highlighted  
by double gold pinstriping.

# TRIUMPH ... the Classic

The Unsurpassed Feel of Britain

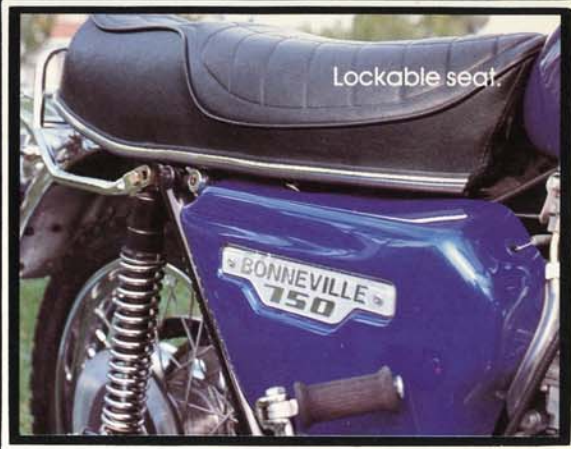

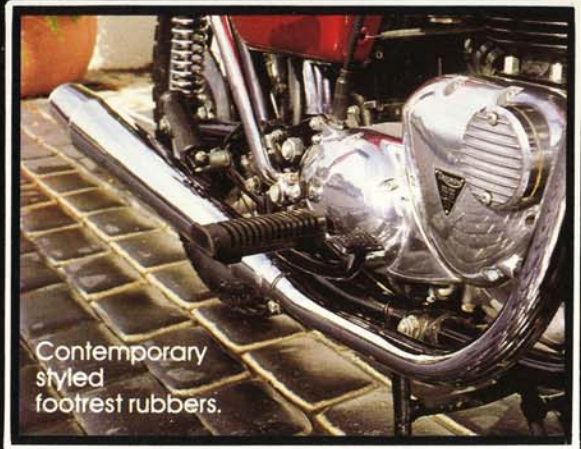

ClassicBike.biz

the same narrow profile . . .  
but in vibrant candy apple red,  
set off by a glossy raven black.
