

The six big reasons behind TRIUMPH success

TRIUMPHS are competitively priced. Give you TOP VALUE for every dollar spent. Trade-in value is highest in the field.

It's there, at a flick of the wrist! TRIUMPHS give you safe speed, steady, smooth — even under poor road conditions.

The famed OHV vertical twin TRIUMPH engines give power you need — WHEN you need it. Add up to PERFORMANCE unequaled by any other motorcycle.

One of the reasons TRIUMPH is world-famous.

"Stretches gas a mile." Lightweight Cubs average up to 75 m.p.g. — OHV twins, up to 60 m.p.g.

The reason for the popularity of our sport. The versatile TRIUMPHS have a high FUN-ratio, for town or country, road or cross-country fun. When you mount a TRIUMPH, you'll experience the feeling of pride that comes to all those who own and ride the
